

Terms and conditions of Pet Healthcare Club membership.

We don't like long and boring legal stuff, but when joining the Pet Healthcare Club you are accepting these terms and conditions. It is important to read them carefully, and please ask a member of staff if you have any queries.

If you would like a copy of these terms and conditions in larger print – please ask at reception.

1. The Pet Healthcare Club is a rolling annual preventative healthcare programme. The Pet Healthcare Club is not an insurance policy.
2. Membership of the agreement constitutes an agreement between you and Young Veterinary Partnership. Membership and benefits are not transferable to another practice.
3. You will receive discounted products and services during the course of your membership, including, but not limited to, vaccines and flea / worming treatments and a full health check with one of our vets. Full details of what is included are available from the practice.
4. The fee for your pet will be determined by its species, age and weight.
5. Of course, your pet can still receive treatment outside the scope of the Pet Healthcare Club and this will be charged in accordance with the practice's normal fees, terms and conditions.
6. These Pet Healthcare Club terms and conditions should be read in conjunction with any additional information including, but not limited to, literature provided by the practice detailing what is included in the Pet Healthcare Club. That literature forms part of these terms and conditions.
7. **Your responsibilities** – you are responsible for following our vets' and nurses' guidance, and for ensuring your pet attends the practice regularly for the preventative healthcare checks which are included as part of your membership of the Pet Healthcare Club.
8. Your membership fees will be collected by Direct Debit on a monthly basis.
9. We use Easy Direct Debits Limited to collect Direct Debits on our behalf, and your bank statements will show a payment to Easy Direct Debit on behalf of Young Veterinary Partnership. For the avoidance of doubt, your agreement is with Young Veterinary Partnership. Easy Direct Debits Limited is merely providing support to the practice, which includes transferring your payments.
10. Membership for each pet will renew automatically on the anniversary of the date that your pet joined the Pet Healthcare Club.
11. We will tell you in advance, in writing, if there is to be a change in membership fees on your renewal date. We will always give you at least 30 days' notice of any change in fees as a result of our annual review.
12. In between our annual fees review, your pet's monthly fees may also change as your pet's age / weight change. A change in fees due to a change in weight / age will take effect as soon as is reasonably practical. This applies to both increases and decreases in weight.
13. Failed Direct Debit payments, eg because of a lack of available funds, cause a significant increase in administration costs for the practice, please try to ensure that the funds are always available in your account.
14. After a failed Direct Debit payment, we will re-present our payment request to your bank after 3-5 working days.
15. If the second payment request also fails, we will make a third and final payment request to your bank after a further 3-5 working days. If this payment request is unsuccessful your Pet Healthcare Club membership will be cancelled automatically and your pet will no longer receive the associated benefits and discounts.
16. If your Pet Healthcare Club membership is cancelled automatically because of failed direct debits, your account will be reviewed and you will be charged the full price of any products and services received during the course of your membership, minus any membership fees received to date.
17. **Ending our agreement / cancelling your membership:**
 - You may cancel your membership on any date by giving us

no less than one month's notice.

- If you cancel your membership before your renewal date, we will review your account and, where applicable, charge you retrospectively the full price of any products and services received during the course of your membership, minus any membership fees received to date.
- We may end our agreement by giving you written notice as outlined below.

18. Unpaid bills relating to your membership fees, treatment received or medicines dispensed will be handled in accordance with our standard terms and conditions available on our website and by request and may be referred to a third party debt collection agency.

19. Notice:

- With regards to this agreement, either party wishing to give notice to the other should do so in writing.
- 'In writing' includes emails, letters sent by post, or delivered by hand.
- When we write to you by post, we will use the address most recently provided.
- If you wish to write to us, please use the email address ealingreception@youngvets.co.uk or send letters to Pet Healthcare Club Administrator, Young Veterinary Partnership, 43 The Mall, Ealing, W5 3TJ.

20. Should you ever have cause to complain about the service you receive, please follow the practice's normal complaints procedure (available on request).
